RESERVE OF OFFICERS.

The attention of Reserve Officers is particularly directed to the following Regulation:—

An Army Reserve Officer shall report himself at the commencement of each year, in writing, to the Secretary of the War Office. Should he fail to do so he shall (unless he be an Officer retired from the Regular Forces with liability for further service in case of emergency) be removed from the Reserve of Officers at the end of the year in which he fails to report himself.

Reserve Officers reporting themselves in compliance with this Regulation, will, at the same time, furnish their addresses for the current year; and any subsequent change of address should be at once notified to the War Office.

Reserve Officers accepting service under any Government Department, County, Borough, or Municipal Authority, should notify the fact to the Secretary of the War Office as soon as possible.

[Officers whose names are printed in Italics are not immediately available for Army Service though liable to be recalled thereto.]

[Officers marked thus † are voluntarily in the Reserve of Officers.]

Subscriptions and donations in support of the Charity will be thankfully received by Messrs. Cox & Co., Charing Cross, London, S.W.; by the Secretary, Colonel E. L. F. Jennings, M.V.O., to whom crossed cheques and Postal Orders on the Charing Cross Post Office should be made payable.

The Home was constructed and is equipped for 200 girls, and the desire of the Committee is to maintain the full complement.

The need of such an institution is apparent from the fact that there are on an average three candidates brought forward at each election to every one admitted.

The Committee earnestly appeal to a generous public to aid them in the support of the Charity. They also ask for the co-operation in the good work of every Regiment and Corps.

A contribution of but 6d. a year from each Non-Commissioned Officer and Man throughout the Service would provide for the support of a child from every Regiment.

The Home is open to visitors daily between 10 and 5, except on Saturdays and Sundays.

The Committee invite the inspection of all friends of the Soldier.

MILITARY WIDOWS' FUND, BRITISH SERVICE

(Late Queen's Military Widows' Fund.)

The Military Widows' Fund, British Service, was established in 1820 to alleviate the distress of families of officers of the British Service and to enable them to return to England without unnecessary delay. Whenever an officer of the British Service, who is a subscriber to this Fund, dies, his family receives at once, the following assistance, namely:—Six months maintenance allowance ranging from Rs. 2,400/ to Rs. 3,600/, according to rate subscribed, plus Rs. 1,500/ for passage for the widow, plus Rs. 500/ or Rs. 300/ for passage for each child, according to whether it is over or under 12 years of age. These benefits are secured by a small subscription of Rs. 4, 3, or 2 per mensem, which is regulated by the amount of pay an officer draws. An officer, immediately on becoming a subscriber, secures at once for his wife and children, quite irrespective of length of service in India, the full benefits of the Fund in case of his death.

In 1902 the sum of Rs. 31,200/ was paid in awards to families of deceased subscribers; and the total amount paid since the establishment of the Fund in 1820 exceeds Rs. 22,000,000/.

Copies of the Regulations of the Fund can be obtained from the Honorary Secretary at Simla.

This Asylum (opened in February, 1854) was founded in 1851, in memory of H.R.H. Adolphus Frederick, Duke of Cambridge, K.G., to provide a home for widows of Non-Commissioned Officers and Privates of the Army. They are not to be under 50 years of age, but there is no restriction as to religious persuasion.

Since its opening, 346 widows have been elected. There are 70 widows in the Asylum, in addition to 7 widows receiving a pension of £20 a year each. Each inmate has a furnished room, and receives seven shillings a week and a monthly allowance for coal.

The funded income of the Charity yields only about £2,000 a year, while the estimated annual expenditure is £3,300.

The Committee make an urgent appeal for additional subscribers, as every year a considerable number are lost through death.

Most Corps, Regiments and Regimental Depôts make annual subscriptions; but the Committee have also relied upon retired officers, and it is to them that a special appeal is made.

Every person subscribing half-a-guinea annually is entitled to one vote at each election, and a donation of five guineas ensures one vote at each election throughout life.
